

# Welcome to your retirement plan!

You can enroll **today** or **any day in the future**. Generally, the contribution you elect will go into effect on the plan's next entry date; however, you will need to check with your employer to find out the exact date your payroll deductions will start. Refer to your enrollment material or Summary Plan Description for your plan's specific entry dates.

## ENROLL ONLINE

For online account access, visit [Transamerica.com](https://Transamerica.com) and follow these easy steps:

1. Select the "Create account" link in the upper right hand corner of the page.
2. Follow the online prompts to register your online account.
3. Once you complete registration, your online account will automatically transition into your plan's online enrollment process where you will be able to set-up your deferral amount, allocations, and beneficiaries.

If you have any additional questions or if we can be of any further assistance, please feel free to contact the Contact Center at 800-401-8726 or you may log in to your account to chat with a live representative.

*By completing the enrollment process online or by phone, you are authorizing payroll deduction of plan contributions. Authorization of plan contributions constitutes a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code and such contributions are subject to withdrawal restrictions of the plan. Contributions made to the plan are subject to certain limitations imposed by Federal law and these contributions may be refunded to comply with these laws. By submitting this authorization online, you understand that neither the plan sponsor, the plan trustee, their affiliates, nor their investment choices are liable for any loss when acting upon your instructions believed to be genuine.*
